Honey 甜心

Ever since I was young,

I've always been very conservative,

had nothing special about me, and was simpleminded.

Even if there was a guy I liked,

I was the type that would quietly admire him.

From now on, I feel that I must change my attitude.

The real reason is because I studied late into the night.
ARE YOU STILL DAY-DREAMING?
MID-YEAR EXAMINATIONS ARE ALREADY COMING UP!
Since when did I fall asleep?
IS IT BECAUSE YOU PLAYED UNTIL IT WAS VERY LATE AND DID NOT GET ENOUGH SLEEP?
Who the heck are you?
What?
DON'T WASTE ANY MORE TIME TEACHER, FINISH THE SUBJECT FASTER.
TEACHER,
In the past, I was very determined,
read a pile of magazines, and then had a change of mind to study hard, so I got into high school.
Never did I expect... I got into this high school and realized that...
YOU'RE RIGHT...
Why is everyone like this?

It ended up being a joke...
WOW! I HEARD THAT TANABE MOMO IS SELLING HER BODY!!
MY GOODNESS, IS THAT TRUE?
Ahhh, I ended up being mocked by my classmates... and now I'm named, "The Playa."
The Playa
I'M NOT TRYING TO BRAG OR ANYTHING,
BUT I'VE NEVER EVEN HELD A GUY'S HAND BEFORE!
I've gone a little insane.
Oh, God
KATASE!
DO YOU HAVE ANY IDEA ABOUT THE TIME?!
There are a bunch of people who were just like me in the past!
Picture of me in my middle school year book

I WAS REALLY SCARED
SFX- HOLDS TIGHT
My goodness!!! These kinds of lies and you believe him... Impossible!

ALRIGHT THEN, REMEMBER TO WRITE A REPORT ABOUT THIS AND RETURN TO CLASS NOW!
MOMO-CHAN
Huh?

I wanted to become the kind of girl that when the guy of her dreams appears, I could be able to tell him that I love him.
That's why I tried so hard to change myself!
And to the limit of being hated by teachers!

IF I CAN GO TO SCHOOL WITH MOMO-CHAN, THEN I WONT BE LATE
